

Road To Riches Testimonials

Students rate Road To Riches 9/10. We asked them to summarise their feedback:

“Road To Riches **introduces ideas and life skills** as well as strategy and fun competition - it simplifies everything and is not dull”

“It was **interesting** to consider how finances work in real life in a fun and **engaging** way. It was a fun game and easy when you got the hang of it. The game really **made you think.**”

“The game was FUN. The News Flash, Knowledge and Wild Cards mean that you are **learning as you play the game.**”

“I didn’t spend the game thinking about how I was playing an educational game but I **learnt a lot and had fun** doing it.”

Road To Riches Testimonials

“Makes you think about the consequences of your decisions and teaches the value of investing money vs holding onto cash. It’s a very **fun way of learning economics and economic decision making.**”

Prototype version

Really competitive and the team work aspect makes it **enjoyable**; the competitive aspect made you forget it was school related

“Super interactive and have to be attentive in order to win, so **you don’t lose interest**”

“Incorporates a stereotypically drab subject into **a fun game**”

“Teaches the basics of finance in an **entertaining, competitive game**”

“Makes learning fun, it is also **addictive and hard to stop**”
